- REUSABLE
- NEUTRAL pH
- NO SCRUBBING
- NON-TOXIC
- BIODEGRADABLE
- SAFE ON MULTI-SURFACES

EVAPO-RUST™ technology washes away surface rust with a unique non-acidic, water-based solution that virtually eliminates the need for laborious blasting, grinding or the use of harsh caustics and chemicals. EVAPO-RUST's neutral pH formulation uniquely bonds only to rust and will not affect iron/metal compositions, plating or even non-oxide paint coatings. Simply immerse the rusted item into EVAPO-RUST and watch the rust disappear in approximately 30 minutes to 24 hours.

**Removes
Rust 100%**
